20. Judogi Control

Approved Judogi

All Judoka must compete in IJF Approved Judogi and Judogis from all IJF suppliers are allowed (see www.ijf.org → Official Supplier List).

Judogi Control

It will be operated with a Sokuteiki prior to the fight. Each of the competition clothing articles (jacket, trousers and belt) must have the official IJF label, which will be controlled with an optical lamp (coloured belts do not have to have the IJF label).

The jacket and the trousers must be of the same brand (belt can be of a different brand).

Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from

www.mybacknumber.com or www.ijfbacknumber.com (Attention: production and delivery may take around 4 weeks). The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

Markings and Advertising

The space on the **shoulder stripes** (25cm x 5 cm on both right and left side) and on the **upper arms** (10cm x 10cm on both right and left side) can be either used for EJU Suppliers or for own sponsors of the Federation or Judoka, **BUT not for any other Judogi supplier.**

The space on the **right chest** (5cm x 10cm) can be used by federations and their Judoka for their own sponsors. The logo of a Judogi brand can only be used, if it corresponds with brand of the Judogi itself and if it is of an EJU Supplier.

Please note: On all advertising spaces it is strictly prohibited to promote tobacco, alcohol, any substances listed in the doping code, or any product or service contrary to public morals.

The space on the **left chest** (10cm x 10cm) can be used for the national colours or the national emblem corresponding with the IOC code on the backnumber (regional emblems are not allowed).

All other markings on the Judogi, like Judogi brand logos, name of Judoka, etc. have to comply with the IJF Judogi Rules.

Detailed information is available on <http://www.eju.net/statutes>.

Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
- In the case of a repeated offence the coach will be suspended for the rest of the competition.

21. Responsibility of Federations

The competitors will compete under the full responsibility of their federations. Insurance: Each national federation is responsible for insuring its competitors against "injury and third part risk (public liability)" during the period of the event. The European Judo Union and the organiser decline all responsibility.

Anti-doping tests might be executed according to the IJF-Medical- and -Anti-Doping-Handbook (IJF SOR – Appendix E).
