The diagram consists of two identical horizontal line configurations. In the top configuration, two horizontal lines on the left merge into a single line that passes through a circular node labeled '61'. This line then merges with another horizontal line from the right into a circular node labeled '65'. In the bottom configuration, two horizontal lines on the left merge into a single line that passes through a circular node labeled '62'. This line then merges with another horizontal line from the right into a circular node labeled '66'.
